<sup>1</sup>EPA-estimated mpg city/hwy: 22/25 2010 Transit Connect; 22/27 2011 Ranger 4x2 2.3L 5-speed manual. 2011 Super Duty based on Ford drive-cycle tests of comparably equipped 2011 Ford and 2010 competitive models. <sup>2</sup>Based on vehicle registration data and latest odometer readings available to R. L. Polk & Co. for 1992 and newer model year full-size pickups and vans still on the road in the U.S. as of September 2009.

# 2011 TRANSIT CONNECT

## Drive smart.

With available exclusives like the latest Ford SYNC® and Ford Work Solutions™, Ford Trucks offer you more innovative technology and productivity tools than ever before.

## Drive green.

Ford delivers best-in-class fuel economy from Transit Connect to Ranger and the all-new 2011 Super Duty.<sup>1</sup>

## Drive quality.

Ford has more trucks on the road with over 250,000 miles than any other brand.<sup>2</sup> And Ford F-Series has been America's best-selling truck for 33 years in a row.

## Drive safe.

Ford is continuously improving your safety with available features like trailer sway control, exclusive AdvanceTrac® with RSC® (Roll Stability Control™) and up to 6 standard airbags.

Transit Connect XLT Van in Silver with available equipment

The New 2011 Transit Connect – Presented by <Dealer Name>

Minivans. SUVs. CUVs. The one-of-a-kind Ford Transit Connect is the **right one to replace them all**. Available as an **XL or XLT Van** and as an **XLT or new XLT Premium Wagon**, it combines the **room and versatility of a van** with the **efficiency of a large car**. It's right-sized and purpose-built to swallow cargo, sip gas<sup>1</sup> and park in tight spaces. And it does it all while conveying a professional image designed to help you **stand out in a crowd**.

<sup>1</sup>Class is Small Cargo Vans. EPA-estimated.  
Vehicles throughout this catalog may be shown with optional and aftermarket upfit equipment.

**SEE FEATURES COME TO LIFE**  
Simply download the free app at [gettag.mobi](http://gettag.mobi) or text **TRANSITCONNECT** to **4FORD**. Then follow the directions to snap a photo of this "tag" (shown left), and start learning more about Ford Transit Connect right on your smart phone.

Standard text messaging and data rates apply.

# delivers protection and reliability

Transit Connect is engineered and tested to thrive in conditions that are harder, faster and tougher than most of its drivers will ever see. It's **Built Ford Tough®** on a rugged, **commercial vehicle platform**, with over 660,000 sold worldwide since 2002. **Regular maintenance is simple**, and the first spark plug change isn't due until 90,000 miles.<sup>1</sup> Commercial customers can take advantage of outstanding support from our **Business Preferred Network** – top Ford Dealers who offer special services to businesses like yours.

<sup>1</sup>Under normal driving conditions with routine fluid and filter changes.

Transit Connect is certified to **Ford Light Commercial Vehicle Durability Standards** – tested to 150,000 customer-equivalent miles.

- Doors and accompanying hardware were tested over a cycle of door opening and slamming equal to 205 times a day for 2 years
- Parts vibration testing simulated the worst roads to help ensure solid, reliable performance and long parts life
- Prolonged exposure to extreme temperatures across 58 countries has proven its reliability in varying climates
- Wheels, tires, suspension knuckles, springs, shock absorbers and underbody structure were tested for taking on potholes and curbs

**AdvanceTrac® with RSC® (Roll Stability Control™)** is standard on Wagons and available on Vans. It is the only electronic stability control system in the class with a vehicle-roll motion sensor that measures the roll rate 100 times a second. Working with the Anti-Lock Brake System, traction control and yaw control, the system automatically determines how to apply individual brakes and modify engine power to help keep all 4 wheels firmly planted.<sup>2</sup>

<sup>2</sup>Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

holds over **135 cu. ft.**  
& up to **1,600 lbs.<sup>1</sup>**

# sized just right

**Transit Connect Van** provides 2 seats up front, a **huge cargo box** with all-around access, and near-vertical sidewalls so you can make the best use of all that space. **Sliding doors on both sides** of the van let you load and unload the front half of the cargo area, or help position long items being loaded from the rear. Out back, **50/50 split rear doors** swing 180° in standard trim, or available doors on articulated hinges (shown right) swing a full 255°. You've got 4 options for the van's side- and rear-door panels: side- and rear-door glass, single-side door glass, no glass or rear glass only. Inside, an expansive load floor plus **low side and rear liftover heights** help take the stress out of loading and unloading. Transit Connect is always ready for business.

<sup>1</sup>When properly equipped. Van GVWR is 5,005 lbs. Load rating represents maximum allowable weight of people, cargo and body equipment combined, and is reduced by the weight of the optional equipment. <sup>2</sup>Ford Work Solutions include Ford Licensed Accessories. See dealer for limited warranty details. To avoid distractions, some functions are disabled while vehicle is in motion. <sup>3</sup>Sprint subscription and 1-year agreement required.

## eases your drive

When activated while you're slowly backing up or parallel parking, the optional **Reverse Sensing System (A)** automatically detects certain objects up to 6 ft. behind the vehicle. It beeps more rapidly as you get closer.

Integrated **blind spot mirrors (B)** are standard on all Vans and Wagons.

When the vehicle is in Reverse, the available **rear view camera (C)** displays a full-color image and handy sight lines on the rearview mirror.

Optional **Ford Work Solutions™<sup>2</sup> (D)** offer full-function computing, telephone,<sup>3</sup> Internet access,<sup>3</sup> Garmin® navigation and more, right inside your vehicle. Learn more at [fordworksolutions.com](http://fordworksolutions.com).

# fits you and a crew

Whether you're using it for work or play, **Transit Connect Wagon** is the perfect multitasking partner. There's plenty of **room for 5** with the standard **2nd-row 60/40 split-fold seat**. You can carry up to 78 cu. ft. of cargo behind it, or up to **118 cu. ft.** when you fold it down. With the **new XLT Premium**, you also get a **4-speaker audio system**, enhanced rear-cargo area trim including a **storage pocket** in the door, **3rd-row flip-open windows** and more. It all adds up to one very accommodating ride.

## Standard Features

<b>MECHANICAL</b>
2.0L DOHC Duratec® I-4 engine
4-speed automatic transmission with overdrive
15.4-gallon fuel tank capacity
150-amp alternator

**New Vehicle Limited Warranty.** We want your Ford Transit Connect ownership experience to be the best it can be. So under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/50,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion (perforation) coverage — all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

**Roadside Assistance.** Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle, or need towing. Your Ford Dealer can provide complete details on all of these advantages.

**Ford Credit.** Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your Ford Dealer for details or check us out at fordcredit.com.

**Ford Extended Service Plan.** For a purchase or lease, the Ford Extended Service Plan (ESP) gives you "Peace-of-Mind" protection designed to cover key vehicle components and protect you from the cost of unexpected repairs. Ask your dealer for a Ford ESP, the only service contract backed exclusively by Ford and honored at all Ford dealerships.

**Insurance Services.** Get Ford Motor Company quality in your auto insurance. Our program offers industry-leading benefits and competitive rates. Call 1-877-367-3847, or visit us at fordvip.com for a no-obligation quote. Insurance offered by American Road Services Company (in CA, American Road Insurance Agency), a licensed agency and subsidiary of Ford Motor Company.

**Business Preferred Network.** Each of the select dealerships in our Business Preferred Network (BPN) is committed to providing quality commercial-oriented products, as well as special financing and billing arrangements, to businesses that rely on Ford products. As a BPN customer, your business vehicles receive priority service at your BPN dealership, to help get your vehicle back on the road quickly.

Comparisons based on 2010 competitive models (class is Small Cargo Vans), publicly available information and Ford certification data at time of printing. Some features discussed may be optional. Vehicles throughout this catalog are shown with optional and aftermarket equipment. Features shown may be offered only in combination with other options or subject to additional ordering requirements or limitations. Dimensions and capacity ratings shown may vary due to optional features and/or production variability. Following publication of the catalog, certain changes in standard equipment, options and the like, or product delays may have occurred which would not be included in these pages.
