
Coming Spring 2020.

Actual ranges and mileage will vary. Range calculations from fuel economy.gov.

Escape 1.5L FWD; EPA-estimated range of 441 miles. 14.7-gallon tank. EPA-estimated ratings of 27 city/33 hwy/30 combined mpg.

Escape 1.5L AWD; EPA-estimated range of 412 miles. 14.7-gallon tank. EPA-estimated ratings of 26 city/31 hwy/28 combined mpg.

Escape 2.0L AWD; EPA-estimated range of 411 miles. 15.8-gallon tank. EPA-estimated ratings of 23 city/31 hwy/26 combined mpg.

Escape Limited 2.5L Hybrid FWD; EPA-estimated range of 582 miles. 14.2-gallon tank. EPA-estimated ratings of 44 city/37 hwy/41 combined mpg.

Escape 2.5L Hybrid AWD; EPA-estimated range of 568 miles. 14.2-gallon tank. EPA-estimated ratings of 43 city/37 hwy/40 combined mpg.

Final numbers not available for Escape SE Sport FWD or Escape Plug-In Hybrid. Coming Spring 2020.
EMPOWERS YOU TO ROAM.

[1.5L ECOBOOST WITH AUTO START-STOP TECHNOLOGY]

GO FURTHER WITH LESS
To help conserve fuel, the new 1.5L EcoBoost can sense when a cylinder isn’t needed and shut it down automatically. The system can activate or deactivate a cylinder in milliseconds to maintain a seamless ride.

Standard on S, SE and SEL FWD (AWD optional)

[2.0L ECOBOOST® WITH AUTO START-STOP TECHNOLOGY]

GO QUICKLY
Impressive horsepower and torque from this turbocharged gem result in spirited acceleration and robust passing power, contributing to its fun-to-drive nature. For an even more engaging drive, the quick-shifting 8-speed SelectShift® automatic transmission puts control at your fingertips with steering wheel-mounted paddle shifters.

Optional on SEL and Titanium

[2.5L ATKINSON-CYCLE I-4 HYBRID]

MAXIMIZE YOUR RANGE
With a top speed of 85 mph while in electric-only mode, and an EPA-estimated rating of 40 combined mpg, Escape hybrid AWD delivers. A new eCVT transmission is paired with the 2.5L engine, featuring electric launch for an engaging driving experience.

Standard on SE Sport and Titanium FWD (AWD optional)

[2.5L ATKINSON-CYCLE I-4 PLUG-IN HYBRID]

EXTEND YOUR OPTIONS
With its driver’s side charge port and standard charging cord, Escape Plug-In Hybrid gives you the option to plug in to charge up the electric battery – at home, work, and even out shopping.

Standard on SE, SEL and Titanium Plug-in Hybrid FWD

EMPOWERS YOU TO ROAM.

Wheels displayed are optional. All prices include the state sales tax.
DIGITAL INSTRUMENT CLUSTER
Features customizable display with 3D animation.

8” LCD TOUCHSCREEN
Allows smartphone users to view the Waze™ app here, thanks to SYNC® 3 AppLink®.

12.3” DIGITAL INSTRUMENT CLUSTER
Features customizable display with 3D animation.

HIGH-PERFORMANCE SPEAKERS
Can transform 575 watts of digitally processed sound from the available B&O Sound System into pure audio bliss, filling your cabin with the music you love.

TRAVELS WELL
Sport contour bucket seats and acoustic-laminate side-window glass create a comfortable front-row environment in Titanium.

INFORMS SMARTLY
The available head-up display on Titanium projects vehicle speed and other vital information onto a 6” wide screen that pops up below the windshield in the driver’s line of sight.

DIALS IN SPACE
A nicely calibrated rotary gear shift dial on the streamlined center console frees up space to create a roomier front-row experience.

Create the ride experience you desire, or the one that conditions demand, with new Selectable Drive Modes. Choose your mode and the system adjusts traction control, steering and pedal response, and available Intelligent AWD to help provide a remarkable driving experience. 3D animations (shown left) on the available 12.3” digital instrument cluster change based on the drive mode selected.

**DELIVERS A MODE FOR EACH ROAD.**

**Sport**
- Increases throttle response, provides quicker shifts for a more aggressive feel, and allows the transmission to hold shifts longer to help Escape accelerate faster when shifting.
- For more “sporty” on-road driving.

**Slippery**
- Adjusts the transmission shift schedule, pedal response, traction control and driveline configuration for better handling on surfaces covered with ice, water, grass or gravel.
- This mode adjusts the pedal response and traction control.
- You’ll probably spend the most time here. Ideal for everyday driving on wet or dry paved roads. A balance of excitement and convenience.

**Deep Snow/Sand**
- Adjusts the transmission shift schedule, pedal response, traction control and driveline configuration for better handling in deep snow or sand.
- Included with available Intelligent AWD only.

**EV Now**
- Plug-In Hybrid features 4 EV modes, allowing you to decide how you want to use its electric power. In Auto EV, the vehicle decides whether to run on gas or electric power. EV Now mode is for all-electric operation.
- In EV Later, preserves plug-in energy for later use. In EV Charge mode, drivers can continue to charge the battery while driving, and generate electric-only miles to use later.

**Exact as it Sounds**
- Helps maximize efficiency and increase driving range.

**Normal**
- You’ll probably spend the most time here. Ideal for everyday driving on wet or dry paved roads. A balance of excitement and convenience.

Plug-In Hybrid features 4 EV modes, allowing you to decide how you want to use its electric power. In Auto EV, the vehicle decides whether to run on gas or electric power. EV Now mode is for all-electric operation. EV Later preserves plug-in energy for later use. In EV Charge mode, drivers can continue to charge the battery while driving, and generate electric-only miles to use later.
FORD CO-PILOT360 ™ TECHNOLOGY
READY WITH AN ASSIST.

From the driveway to the highway, our driver-assist features are designed to help you feel confidently in command at the wheel of your Escape.

PRE-COLLISION ASSIST WITH AUTOMATIC EMERGENCY BRAKING

We should all drive defensively. By scanning the road ahead, this feature can alert you to potential collisions with vehicles or pedestrians detected in your path. If an impact is imminent and you don’t take action, brakes can apply automatically. It’s designed to only activate when needed.

BLIS® WITH CROSS-TRAffic ALERT

Changing lanes demands your full attention. BLIS (Blind Spot Information System) can help by alerting you to vehicles detected in your blind spots. Cross-Traffic Alert helps by detecting and alerting you to traffic behind your vehicle as you’re slowly backing up.

LANE-KEEPING SYSTEM

It happens. Listening to your favorite podcast, you wander too close to your lane’s edge. Our Lane-Keeper System can help during a moment of distraction. If you drift out of your lane, it directs you with steering wheel torque to return, and can also alert you through vibration pulses. Stay a few feet from and at traffic light signals you know it’s time to take a brake.

AUTO HIGH-BEAM HEADLAMPS

Sound familiar? You turn on high beams entering a dark stretch of road — then forget to turn them off as traffic approaches. Auto High-Beam Headlamps can detect your light and switch them for you. They can also sense oncoming headlamps and dim automatically for other drivers.

REAR VIEW CAMERA

Backing up requires a little multitasking. Our Rear View Camera provides a great view of what’s behind your vehicle, helping you navigate Reverse with more confidence. It also helps when you’re lining up a trailer.

ACTIVE PARK ASSIST 2.0

Never pass up a potential parking space again. Active Park Assist 2.0 makes it easy to park time after time — even tight parallel or narrow perpendicular spots. After the system locates a potential spot, all you have to do is brake to a complete stop. Press the Up or Down Neutral and hold down the Active Park Assist button — your vehicle will automatically adjust to very tight spaces. Standard on Titanium.

ADAPTIVE CRUISE CONTROL (ACC) WITH STOP-AND-GO

There are few things as tedious as bumper-to-bumper traffic. ACC with Stop-and-Go can help you keep pace on your journey, slowing down or even stopping your vehicle if the traffic ahead has slowed or stopped. When things clear, it can resume your set speed. Standard on Titanium. Available on SE, SE Sport and SEL.

EVISeV STEERING ASSIST5

We all experience it. Traffic is rolling along smoothly when suddenly, a vehicle in your path is stopped. To help avoid a potential collision, Evasive Steering Assist can provide extra assist to help you quickly steer around the vehicle. Standard on Titanium. Available on SE, SE Sport and SEL.

VOICE-ACTIVATED NAVIGATION

Taking the wrong exit can put a serious dent in your day. Stay confidently on course with our Voice-Activated Touchscreen Navigation System, which features SiriusXM® Traffic and Travel Link® services to help you avoid traffic, find fuel (gas, oil, java), and so much more. Standard on Titanium. Available on SE, SE Sport and SEL.

AVAILABLe EQUIPMENT SHOWN. Driver-assist features are supplemental and do not replace the driver’s attention, judgment and need to control the vehicle. Pre-Collision Assist with Automatic Emergency Braking can detect pedestrians, but not in all conditions and does not replace a safe driving. See owner’s manual for system limitations. Lane Keeping System does not control steering. Evasive Steering Assist does not control steering. Certain restrictions, 3rd-party terms and data rates may apply. See footnote 1 on the “Your Tech, Your Way” pages, and your Ford Dealer for details.

BLIS ® WITH CROSS-Traffic ALERT

Standard on every 2020 Escape

ADDITIONAL FORD CO-PILOT360 TECHNOLOGY®

ACTIVE PARK ASSIST 2.0

See footnote 1 on the “Your Tech, Your Way” pages, and your Ford Dealer for details.
MAXIMIZES CARGO SPACE
With 37.5 cu. ft. of max. cargo space\(^1\) with the sliding rear seat fully forward, a full-size dog crate can fit in the Escape cargo area. An available cargo shade that rises and lowers along with the liftgate helps keep items out of sight.

BRIGHTENS YOUR DRIVE
An available power, panoramic Vista Roof\(^2\) can flood the Escape interior with natural light to benefit all passengers, while available ambient lighting can illuminate the door trim and media bin in your choice of 7 colors.

KEEPS YOU CHARGED
Available 12V powerpoints, USB ports and an available 110V/150W AC power outlet on the rear of the center console give you and your passengers plenty of opportunity to keep your devices charged and at the ready.

CONFIGURES SPACE TO YOUR ADVANTAGE.

MAX. INTERIOR CAPACITIES\(^3\) (cu. ft.)
Cargo volume behind front row: 65.4
Cargo volume behind rear row: 37.5 (max.)

MAX. INTERIOR DIMENSIONS\(^4\) (inches)
Headroom: 40.0 / 38.3
Legroom: 42.4 / 40.7
Hiproom: 55.7 / 53.3
Shoulder room: 57.6 / 56.0
The original Escape debuted in the 2001 model year. In its first full year on sale, it became America’s best-selling small SUV. In reinventing the Escape for 2020, this rich history gave us plenty to build on. While the world—and technology—have experienced rapid change over 19 years, the purpose of Escape remains the same: to help you embrace life’s adventures with modern design and remarkable versatility. These are just some of the new features that will help.

1 Class is Small Utilities based on Ford segmentation. Based on the 2nd-row seat in the most rearward position. Non-hybrid models only. For more information on connectivity products, go to FordPass.com. Apps and services vary with region and device. For more information, visit myfordmobile.com. 2 Requires compatible mobile phone and data plan. 3 In order to accommodate a dog crate of 36" L x 23" W x 25" H. 4 Don’t drive distracted or while using handheld devices. Use voice controls. 5 See owner’s manual for details and system limitations.
With seating for up to 5 and Wi-Fi hotspot capability, Ford Escape welcomes a vast array of smartphones, tablets, gaming systems and computers along for the ride. Plus, you can take in the best in music, sports, comedy, news and talk with SiriusXM® inside your vehicle and on the go, with a 6-month All Access trial subscription. With our available Voice-Activated Touchscreen Navigation System, you’ll also enjoy a 5-year subscription to SiriusXM Traffic and Travel Link® services.

COMMAND IT
Stream your music and your choice of display. Available SYNC®3 voice-activated technology connects your tech with your Escape. Available SYNC 3 AppLink® (shown) gives you voice control of compatible mobile apps like Waze™ and others. To use your phone’s familiar interface on the big screen, take advantage of compatibility with Apple CarPlay® for your iPhone or Android Auto™ for your Android™ smartphone.

CONTROL IT
Monitor and control your vehicle in incredibly powerful ways using the FordPass™ App alone or with FordPass Alexa Skill or FordPass Action through Google Assistant™ when equipped with FordPass Connect™. Complimentary remote features let you lock, unlock and retrieve your vehicle from virtually anywhere, including right from your wrist with your Apple Watch®. Use your app to find your vehicle, schedule starts, check fuel level and check out fuel rebates.

When you need important vehicle information, like Vehicle Health Alerts, service history and Warranty info, the FordPass App puts it at your fingertips. And, when it’s time to bring your vehicle in for service, the app makes scheduling easy. Enjoy access to convenient services like Key by Amazon In-Car Delivery® and peace of mind knowing roadside assistance is just a call or e-request away.

CONNECT IT
With in-vehicle Wi-Fi. Before the sand dries on your flip-flops, you and your friends can be posting beach photos through FordPass Connect™. 4G LTE Wi-Fi hotspot capability. Its powerful antenna provides the ability to connect up to 10 devices at once – inside of Escape and up to 50’ away.

Available equipment shown. All SiriusXM services require a subscription, sold separately by SiriusXM after the trial period. Fees and taxes apply. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. Traffic information not available in all markets. SiriusXM satellite service for 2020 model-year Ford vehicles is not available in Puerto Rico; SiriusXM streaming service is available for purchase.

1. Don’t drive while distracted. Use voice-operated systems when possible; don’t use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones.

2. Commands may vary by phone and AppLink software.

3. Requires device with active data service and compatible software. SYNC does not control 3rd-party products while in use. 3rd parties are solely responsible for their respective functionality.

4. Alexa requires available SYNC 3 AppLink. Certain Alexa functionality is dependent on smart phone and home technology. Don’t drive while distracted or while using handheld devices. Use voice controls. Some features may be locked out while the vehicle is in gear.

5. Don’t drive while distracted or while using handheld devices. Use voice controls. Certain Alexa functionality is dependent on smart phone and home technology.

6. FordPass Connect (optional on select vehicles), the FordPass App, and complimentary Connected Service are required for remote features (see FordPass Terms for details). Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Connected service excludes Wi-Fi hotspot.

7. FordPass Connect service required (see FordPass Terms for more information). Message and data rates may apply. Check your availability at https://amzn.to/2JnYMtz.

8. In select cities.

9. FordPass App, compatible with select smartphone platforms, is available via a download. FordPass Connect service required (see FordPass Terms for more information). Message and data rates may apply. Check your availability at https://amzn.to/2JnYMtz. **Available equipment is installed for certain options and available to everyone for a per-service fee.** Don’t drive while distracted when using handheld devices. Use voice controls.
MAINTAINS STABILITY
To help provide additional articulation (travel) for ride smoothness, the upgraded suspension design of Escape features an isolated rear subframe. Electric power-assisted steering offers greater assist at low speeds to help in parking and other maneuvers.

SHIFTS SMOOTHLY
On hybrid and plug-in hybrid models, our eCVT Transmission delivers electric launch for an engaging driving experience. On gas-only models, a smooth and responsive 8-speed automatic transmission deftly balances efficiency with performance.

PERFORMS SMARTLY
To help conserve fuel, the 1.5L EcoBoost® debut smart cylinder deactivation, which can sense when a cylinder isn’t needed and shut it down automatically. Designed to save fuel, All-Wheel-Drive (AWD) disconnect allows for rear driveline disconnection when the system detects available Intelligent AWD isn’t needed.

HANDLES CHALLENGES IN STRIDE.

With extensive use of lightweight, high-strength steel and high-strength boron steel, the all-new 2020 Ford Escape weighs in over 200 lbs. less than its predecessor. Along with new engines and an all-new suspension system with a new isolated rear subframe, these improvements allow you to blaze new trails in calm and comfort.

TOW UP TO 3,500 LBS.
You can with the torque-rich 2.0L EcoBoost® engine. Tow up to 2,000 lbs. with the 1.5L EcoBoost and proper equipment (shown). Tow up to 1,500 lbs. with the 2.5L Hybrid (not shown).

SE Sport. Velocity Blue. Available equipment. Coming Spring 2020. Max. towing of 3,500 lbs. with 2.0L EcoBoost and Class II Trailer Tow Package. Max. towing of 2,000 lbs. with 1.5L EcoBoost and Class II Trailer Tow Package (not shown); max. towing of 1,500 lbs. with 2.5L Hybrid and Class II Trailer Tow Package (not shown). Max. towing varies based on cargo, vehicle configuration, accessories and number of passengers. Escape does not offer factory-installed towing equipment for this application: only available as dealer accessory. Escape does not offer factory-installed towing equipment for this application: only available as dealer accessory. Escape does not offer factory-installed towing equipment for this application: only available as dealer accessory.
Daily victories start here. Turn the new rotary gear shift dial to Reverse. Before you’re even out of your spot, the Rear View Camera and the sensors from Cross-Traffic Alert pick up a vehicle driving by in the parking garage. Bad morning, averted. On the road, a light rain makes the surface slick. Adjust the Selectable Drive Mode to Slippery to increase your control. Need to call the office before you arrive? You can place the call while your phone is still in your duffle bag. The day hasn’t even begun, and you’re already on top of your game. Thanks to the all-new Escape S.

Fewer stops. More adventure. Hit the road – and don’t look back – in SE Sport Hybrid.

CLOTH SEATING SURFACES: Sandstone, Dark Earth Gray (Standard)
ACTIVEX SEATING SURFACES: Sandstone/Ebony, Ebony (SE Sport Premium Package)
If your tastes reveal a sophisticated nature, Escape SEL will more than satisfy. Choose from a plug-in hybrid, or 1 of 2 gas powertrains — including an available 250-hp* 2.0L EcoBoost® engine teamed with Intelligent AWD and steering wheel-mounted paddle shifters. So you’re free to move the way you choose. Fog lamps and 18” aluminum wheels with painted pockets adorn the exterior. Inside, new contoured front bucket seats feature durable, high-end synthetic ActivX seating material. Remotely start SEL, and even your leather-wrapped, heated steering wheel can be ready for adventure.
Your sanctuary from today’s hectic world, the leather-trimmed refinement of Escape Titanium is a calming oasis. A 12.3” digital instrument cluster with customizable display, and dual-zone climate control keep you comfortably in command, no matter which of its 3 powertrains you choose. Ambient lighting in 7 hues and a B&O Sound System with 10 speakers help you establish the mood along the way. Adding to its allure: a head-up display! Active Park Assist 2.0, and 19” aluminum wheels! Plan your escape in the well-equipped Titanium.
New Vehicle Limited Warranty. We want your Ford Escape ownership experience to be the best it can be. Under the warranty, your new vehicle comes with a 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, and 5-year/unlimited-mile corrosion perforation (aluminum panels do not require perforation) coverage—all with no deductible. Escape exterior electric components are covered during the Hybrid/Electric Unique Component Coverage, which lasts for 8 years or 100,000 miles, whichever occurs first. Please ask your Ford Dealer for a copy of these limited warranties.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need a winch back to a paved road, alternatives jump start or towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Credit. Get the ride you want. Whether you plan to lease or buy, Ford Credit has the option that's right for you. Ask your Ford Dealer for details or visit us online at ford.com/finance.

Ford Protect™ Extended Service Plans. Whether you purchase or lease your Ford vehicle, insist on genuine Ford Protect extended service plans. From day one, we had the future in mind. And for over 116 years, we’ve focused on improving your freedom of movement, by making it possible for hardworking, everyday people to own a vehicle. One that’s well built. That you’re proud to drive.

Born in Detroit, made in America¹ and famous worldwide:

We are the Ford Motor Company.

Your mobility is at the center of everything we do.

And we’re excited to be designing and building smart vehicles that work for you. It’s why we put our family name on every one.

From our founding members, to our Ford family of employees around the globe, we work with pride. We build with care.

For you – and your family. By everyone in ours.

¹Made in the USA with domestic and foreign parts.
