

2020

SUPER DUTY[®] CHASSIS CAB

F-350 | F-450 | F-550

BUILT FOR THE BUILDERS.

It's not how you start a job. It's how well you get it done in the trenches. And the 2020 F-Series Super Duty® Chassis Cab helps you finish the only way it knows how: strong. With 3 engine choices, including an all-new, available 7.3L V8 gas engine engineered for conditions where nasty is normal, and a significantly enhanced 3rd-generation of our available 6.7L Power Stroke® V8 Turbo Diesel. With a new 10-speed TorqShift® automatic transmission calibrated specifically for heavy-duty work. Plus, available new Ford Co-Pilot360™ driver-assist technologies¹ to help you manage the road, and FordPass Connect™² with Wi-Fi hotspot capability to help keep you – and your crew – in touch on location. As America's best-selling trucks for 42 years, Ford F-Series exists to be challenged. At Ford, we've accepted challenges for over 116 years.

Our resilience shows that we're in it for the long haul. For the pride of a job well done.

We build for the builders. And we build things our way.

BUILT *Ford* PROUD

F-450 XLT SuperCab 4x4 in Iconic Silver with available and aftermarket equipment. (Max. Payload 8,240 lbs., Max. Towing 25,800 lbs., Max. GCWR 35,000 lbs. when properly equipped with 6.7L Power Stroke diesel engine, and High-Capacity Trailer Tow Package.) ¹Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. ²FordPass Connect (optional on select vehicles), the FordPass App, and complimentary Connected Service are required for remote features (see FordPass Terms for details). Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Connected service excludes Wi-Fi hotspot. Don't drive distracted or while using handheld devices. Use voice controls. ³Maximum capability configuration vehicles not shown. ⁴Class 3-5 Chassis Cabs based on Ford segmentation.

NOTE: Maximum payload and towing capabilities shown throughout this brochure are for properly equipped base vehicles with required equipment and a 150-lb. driver and vary based on cargo, vehicle configuration, accessories, upfits and number of passengers. See label on door jamb for carrying capacity of a specific vehicle. Horsepower, torque, payload and towing are independent attributes and may not be achieved simultaneously. For additional information, see your Ford Dealer. Vehicles throughout this brochure may be shown with optional and aftermarket upfit equipment.

POWERFUL PULL.

Backed by decades of Built Ford Tough® commercial engine expertise, both Super Duty® Chassis Cab gas engines – a 6.2L V8 (F-350) and the all-new, available 7.3L V8 (F-350/F-450/F-550) – help you power through the tough work you face every day. For heavy-duty diesel performance, our available 3rd-generation 6.7L Power Stroke® V8 Turbo Diesel (F-350/F-450/F-550) delivers 825 lb.-ft. of work-ready torque. All 3 engines, plus the new TorqShift® 10-speed automatic transmission they’re paired with, are designed, engineered and built by Ford. So each powertrain works seamlessly with chassis components and vehicle calibrations.

F-450 XL Crew Cab 4x4 in Oxford White with 7.3L gas engine, and available and aftermarket upfit equipment.
Horsepower and torque are independent attributes and may not be achieved simultaneously. For additional information, see your Ford Dealer.

3RD-GENERATION 6.7L POWER STROKE V8 TURBO DIESEL

Our proven Power Stroke diesel gets significant upgrades that push its torque output even higher. Reengineered injectors in the new 36,000-psi fuel-injection system help it optimize combustion and provide excellent throttle response. In this high-pressure environment, new forged-steel pistons provide higher firing pressure capability and less friction for improved durability. A new turbocharger with fully electronic vane actuator improves cold-weather performance. Finally, a new air-induction system and redesigned grille ensure plenty of airflow to help keep things cool. Which the 6.7L Power Stroke V8 Turbo Diesel has done for years – stay cool under pressure.

Available on F-350/F-450/F-550

NEW 7.3L 2-VALVE V8 GAS

Get ready for a new legend in the world of work. This beast debuts as the largest displacement V8 engine in the class. Built from the ground up as a dedicated truck engine, it’s engineered for iron-clad durability. To enable it to work harder for longer, its stout design features: cast-iron engine block construction; a forged-steel crankshaft; carbon-nitrided needle bearings in the valvetrain; robust pistons and ring packs with anti-wear coatings; piston cooling jets; and a variable-displacement oil pump located in the pan. The pump ensures proper engine lubrication in cold weather starts and, over time, even accommodates engine-wear changes to maintain optimum engine performance. And that’s what it’s all about in harsh environments where these trucks may not leave for months. The all-new 7.3L V8 from Ford. Tough lives here.

Standard on F-450/F-550

Available on F-350

6.2L 2-VALVE V8 GAS

By supplying working power throughout the rpm range, the 6.2L V8 delivers an exceptional combination of driveability, hauling and towing performance. Dual-equal variable cam timing phases the intake- and exhaust-valve opening and closing events simultaneously to optimize low-end torque and peak horsepower.

Standard on F-350

When properly configured. See Payload and Towing charts in the Specifications section for maximum ratings by configuration. Maximum capability configuration vehicles not shown.			

F-450 XL Crew Cab 4x4 in Oxford White with 7.3L gas engine, and available and aftermarket upfit equipment. (Max. 5th-Wheel Towing of 19,600 lbs., Max. Conventional Towing of 17,500 lbs., Max. Payload of 9,070 lbs., Max. GVWR of 16,500 lbs., and Max. GCWR of 28,000 lbs.) *Stationary-mode PTO max. torque ratings: 300 lb.-ft. on diesel, 250 lb.-ft. on gas. Mobile-mode PTO max. torque ratings: 200 lb.-ft. on diesel, 125 lb.-ft. on 7.3L gas, and 115 lb.-ft. on 6.2L gas.

ALL-NEW TORQSHIFT® 10-SPEED AUTOMATIC TRANSMISSION In the unforgiving landscapes where Super Duty® Chassis Cab excels, it’s all about strength, capability, plus smooth and efficient power delivery. This year, operators of all 3 engines will benefit from our robust TorqShift 10-speed automatic that’s engineered for durability and calibrated specifically for heavy-duty work. With a low 4.615 1st-gear ratio producing outstanding starting torque, the 10-speed also offers a wide range of overdrive gears. A state-of-the-art hydraulic control system supplies smooth, fast shifts, exceptional gear selection, and on diesel engines, a neutral idle for commercial truck use. Selectable Drive Modes allow drivers to optimize how Chassis Cab performs in a given driving condition (Slippery, Deep Snow/Sand, etc.).

Standard on ALL TRIMS

AN ENHANCED LIVE-DRIVE PTO PROVISION

Gives you more power takeoff (PTO) capability on Chassis Cab with the available diesel engine than ever before. With stationary- and mobile-mode operation,¹ the PTO provision allows Chassis Cab to power lift buckets, sprayer pumps, generators, snow plows and more. Directly linked to the engine crankshaft, the PTO output gear delivers power anytime the engine is running – whether the vehicle is moving or not. The available diesel powertrain includes split-shaft capability, which allows operation of multiple accessories at the same time when the truck is stopped. To handle the 20% increase in diesel torque output over last year, a sturdy new 10-bolt architecture helps keep your PTO securely mounted in place.

Standard with 6.7L Power Stroke V8 Turbo Diesel engine
Available with 7.3L V8 gas and 6.2L V8 gas engines

UPFITTER DREAMS START HERE.

Heavy-haulers, wreckers, and emergency vehicles rely on the unyielding strength of F-Series Super Duty® on a daily basis. As do vocational workers in construction, landscaping, mobile welding and more. With the 2020 Super Duty Chassis Cab, they can work hard. And smart. With a frame and body that carries the weight of your world on its shoulders. Available aft-of-axle frame extensions for outstanding configuration flexibility. An available, programmable Upfitter Interface Module for ease of upfitting. Six in-cab auxiliary upfitter switches to operate a variety of powered options. Plus, all of the great features listed here.

AN OPEN C-CHANNEL FRAME aft of cab features a standard 34" frame-rail width.

2

A HIGH-STRENGTH, MILITARY-GRADE, ALUMINUM ALLOY CAB doesn't rust and resists corrosion. That's leadership that counts. For years down the road.

4

1

3-HOLE PATTERN added to the underside of the frame allows for easier aftermarket hitch installation.

3

RUGGED DRIVELINE COMPONENTS include a choice of strong and capable available rear axles. Ratios range from 3.73 to 4.88. Choices include non-limited-slip, available limited-slip and available electronic-locking. Gear and bearing designs are engineered and optimized by weight for the extreme capability of Super Duty Chassis Cab. Driveshafts, transfer cases and U-joints are engineered to handle the massive torque output of all 3 Super Duty engines.

AN EXTREMELY STIFF, HIGH-STRENGTH STEEL FRAME can handle a wide range of upfits, from flat and dump beds to wrecker, service and delivery bodies. Fully boxed under the cab and forward, the frame features between 7 and 10 crossmembers to enhance strength, with key crossmembers through-welded to increase stiffness.

5

6

AN AVAILABLE HEAVY-DUTY FRONT AXLE and available optimized front coil springs provide an available Front Gross Axle Weight Rating (FGAWR) of 7,500 lbs. on F-450/F-550 Chassis Cab models equipped with the available Extra-Heavy-Duty Front End Suspension Package. This enables them to carry tall utility buckets and cranes, big snow plows, and more.

7

ADVANCETRAC® WITH RSC® (ROLL STABILITY CONTROL™)² Utilizing gyroscopic sensors, AdvanceTrac with RSC enhances stability on varying road surfaces and driving conditions by selectively applying brakes and modifying engine power to help keep all wheels firmly planted.

MASSIVE BRAKES Help to bring F-450 and F-550 Super Duty Chassis Cab to a stop. A large brake pad usable area helps increase both pad and rotor life, while a large master cylinder with plenty of volume helps reduce the risk of thermal brake fade under extreme braking conditions.

AN AVAILABLE PROGRAMMABLE UPFITTER INTERFACE MODULE Allows upfitters to properly connect their electrical equipment to the Controller Area Network (CAN) test bus or ports. This connection not only allows integration of upgrades to meet upfitter needs, but gives upfitters a programmable logic interface to control devices using a laptop.

AVAILABLE AFT-OF-AXLE FRAME EXTENSIONS Provide 42" of extension with the 145" WB/60" CA and 32" of extension with the 169" WB/84" CA on F-450 and F-550 Regular Cab models – giving you outstanding configuration flexibility by allowing upfitted bodies to accommodate additional equipment.

¹6000-series aluminum alloy. ²Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

YOUR TECH, YOUR WAY.

With seating for up to 6 and Wi-Fi hotspot capability, Super Duty® Chassis Cab welcomes a vast array of smartphones, tablets and computers along for the ride. Plus, you can tap into the best in music, sports, comedy, news and talk with available SiriusXM® inside your truck and on the go, with a 6-month All Access trial subscription.¹ With our available Voice-Activated Touchscreen Navigation System, you'll also enjoy a 5-year subscription¹ to SiriusXM Traffic and Travel Link® services.

COMMAND IT

With your voice and your choice of display. Available SYNC® 3 voice-activated technology² connects your tech with your Super Duty Chassis Cab. Available SYNC 3 AppLink®³ (shown) gives you voice control of compatible mobile apps like Waze™ and Ford+Alexa.⁴ To see your phone's familiar interface on the big screen, take advantage of compatibility with Apple CarPlay®⁵ for your iPhone®, or Android Auto™⁵ for your Android™ smartphone.

CONTROL IT

Monitor and control your truck in incredibly powerful ways using the FordPass™ App alone or with FordPass Alexa Skill® or FordPass Action through Google Assistant™ when equipped with FordPass Connect™⁷ Complimentary remote features let you start, lock and unlock your truck from just about anywhere, including right from your wrist with your Apple Watch®. Use your app to find your truck, schedule starts, find parking,⁸ and check fuel and fluid levels. When you need important vehicle information, like Vehicle Health Alerts, service history and Warranty info, the FordPass App puts it at your fingertips. And, when it's time to bring your truck in for service, the app makes scheduling easy. Enjoy access to convenient services like Key by Amazon In-Car Delivery⁹ and peace of mind knowing roadside assistance is just a call or e-request away.¹⁰

CONNECT IT

With available in-vehicle Wi-Fi. Before the mud dries on your work boots, you can post construction-progress videos through FordPass Connect⁷ with 4G LTE Wi-Fi hotspot capability. Its powerful antenna provides the ability to connect up to 10 devices at once¹¹ – inside of Super Duty Chassis Cab and up to 50' away.

Available equipment shown. ¹All SiriusXM services require a subscription, sold separately by SiriusXM after the trial period. Fees and taxes apply. See SiriusXM Customer Agreement for complete terms at www.siriusxm.com. All fees, content and features are subject to change. Traffic information not available in all markets. SiriusXM satellite service for 2020 model-year Ford vehicles is not available in Puerto Rico; SiriusXM streaming service is available for purchase. ²Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones. ³Commands may vary by phone and AppLink software. ⁴Waze is available via iPhone with SYNC 3 and on Android Auto. Commands may vary by phone and AppLink software. Alexa requires available SYNC 3 AppLink. Certain Alexa functionality is dependent on smart phone and home technology. Don't drive while distracted or while using handheld devices. Use voice controls. Some features may be locked out while the vehicle is in gear. ⁵Requires device with active data service and compatible software. SYNC does not control 3rd-party products while in use. 3rd parties are solely responsible for their respective functionality. ⁶Don't drive while distracted or while

using handheld devices. Use voice controls. Certain Alexa functionality is dependent on smart phone and home technology. ⁷FordPass Connect (optional on select vehicles), the FordPass App, and complimentary Connected Service are required for remote features (see FordPass Terms for details). Connected service and features depend on compatible AT&T network availability. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Connected service excludes Wi-Fi hotspot. ⁸In select cities. ⁹FordPass App, compatible with select smartphone platforms, is available via a download. FordPass Connect service required (see FordPass Terms for more information). Message and data rates may apply. Check your availability at <https://amzn.to/2JnYMit>. ¹⁰Roadside assistance is included for certain owners and available to everyone for a per-service fee. ¹¹Don't drive while distracted or while using handheld devices. Use voice controls. ¹²Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. ¹³Pre-Collision Assist with Automatic Emergency Braking can detect pedestrians, but not in all conditions and does not replace safe driving. See owner's manual for system limitations. ¹⁴Audible Lane-Departure Warning does not control steering.

FORD CO-PILOT360™ TECHNOLOGY READY WITH AN ASSIST.

From the work site to the highway, available new driver-assist features¹² on the 2020 Super Duty Chassis Cab are engineered to help improve driver confidence and fleet performance, plus help protect your investment in the field.

AUTO HIGH-BEAM HEADLAMPS

Sound familiar? You turn on high beams entering a dark stretch of road – then forget to turn them off as traffic approaches. Auto High-Beam Headlamps can detect poor lighting and switch them on for you. They can also sense oncoming headlamps and dim automatically for other drivers.

Available on ALL TRIMS

PRE-COLLISION ASSIST WITH AUTOMATIC EMERGENCY BRAKING

We should all drive defensively. By scanning the road ahead, this feature can alert you to potential collisions with vehicles or pedestrians detected in your path. If an impact is imminent and you don't take action, brakes can apply automatically.¹³ It's designed to only activate when needed.

Available on ALL TRIMS

AUDIBLE LANE-DEPARTURE WARNING¹⁴

When this system's forward-facing camera detects the truck crossing a lane marking without the driver using the turn signal, it provides an audible alert and a visual display in the instrument cluster.

SEATING

40/20/40 split front seat with 2-way manual seat adjust, driver's side manual lumbar, and folding armrest with cupholders and storage
60/40 split flip-up rear seat
Heavy-duty vinyl-trimmed seating

INTERIOR

2.3" LCD productivity screen in instrument cluster
12V powerpoints (2)
Dome light and dual map lights
Driver and front-passenger grab handles, and rear-passenger on Crew Cab
Dual glove boxes
Fixed rear window
Flooring – Black vinyl
Manual-tilt/-telescoping steering column
Outside temperature display
Overhead console with dual storage bins (SuperCab/Crew Cab)
Single-zone manual climate control
Upfitter switches located in overhead console (four 25-amp and two 40-amp; 40-amp are hot-at-all-times capable)

EXTERIOR

Black mirror caps and door handles
Black-painted grille and steel front bumper
Configurable daytime running lamps
Front splash guards (F-450/F-550)
Front tow hooks
LED roof marker/clearance lamps
Manually telescoping trailer tow mirrors with 2-way fold, and manual glass
Quad-beam jewel-effect halogen headlamps
Underhood service lamp
Variable-intermittent windshield wipers with washers

CONNECTIVITY & ENTERTAINMENT

AM/FM stereo with MP3 capability
FordPass Connect™ ² with 4G LTE Wi-Fi hotspot capability (enables FordPass™ app ³ features when activated; includes Ford Telematics™ and Data Services Prep for Fleet only)
SYNC® Voice Recognition Communications and Entertainment System with 4.2" LCD screen, 911 Assist®, AppLink®, and 1 smart-charging USB port

SAFETY & SECURITY

Driver and right-front-passenger front airbags, ⁴ and front-seat side airbags ⁴
Front-passenger airbag deactivation switch
AdvanceTrac® with RSC® (Roll Stability Control™)
Safety Canopy® System with side-curtain airbags ⁴ and rollover sensor
Child-safety-seat top tether anchors (Regular Cab front passenger, and all rear-seat positions)
Individual Tire Pressure Monitoring System (F-350; excludes optional spare)

AVAILABLE FEATURES AND PACKAGES:

MECHANICAL

750-CCA, 78-amp-hr dual batteries ⁵ (gas engines)
Aft-of-axle frame extension ⁵ (F-450/F-550 Regular Cab 145" and 169" wheelbases)
Engine block heater
Engine idle shutdown (5-, 10-, 15- or 20-minute)
Fuel tank – 26.5-gallon mid-ship ⁵ (replaces standard tank)
Fuel tanks – Dual diesel with 40-gallon aft-of-axle and 26.5-gallon mid-ship (DRW diesel engine)
Individual Tire Pressure Monitoring System delete (F-350 SRW; Fleet only)
Jack (2-ton mechanical for SRW; 4-ton hydraulic for F-350 DRW; 6-ton hydraulic for F-450/F-550)
Operator-commanded exhaust filter regeneration with active regeneration inhibit (diesel engine)
Power takeoff (PTO) provision with live-drive mobile and stationary modes ⁵ (gas engines; PTO port located on driver's side; max. torque output of 250 lb.-ft. in stationary mode)
Programmable Upfitter Interface Module
Spare wheel, tire and jack (excludes carrier)
Speed limitation (65-mph or 75-mph governed top speed; Fleet only)
Tires – LT245/75Rx17E BSW all-season ⁵ (F-350 SRW)
Tires – LT245/75Rx17E BSW all-terrain ⁵ (F-350)
Tires – LT265/70Rx17E OWL all-terrain ⁵ (F-350 SRW)
Tires – LT275/70Rx18E BSW all-terrain (F-350 SRW 4x4)
Tires – 225/70Rx19.5G BSW traction (F-450/F-550; includes 2 all-position tires on front and 4 traction tires on rear)
Tires – 225/70Rx19.5G BSW max. traction (F-450/F-550 4x4; includes 2 traction tires on front and 4 traction tires on rear)
Trailer brake controller with Smart Trailer Tow Connector ⁵

FORD CO-PILOT360 TECHNOLOGY

Audible Lane Departure Warning ⁵
Pre-Collision Assist with Automatic Emergency Braking, Forward Collision Warning, and Auto High-Beam Headlamps ⁵

SEATING

Cloth-trimmed seating
Front bucket seats with mini-console and driver's side manual lumbar

INTERIOR

SiriusXM® with 6-month All Access trial subscription ⁶
110V/400W AC power outlet in instrument panel ⁵
Cruise control (Fleet only)
Power-sliding rear window with defroster and rear privacy glass ⁵ (SuperCab/Crew Cab)
Rapid-heat supplemental cab heater (diesel engine)
Rear-window defroster and rear privacy glass

EXTERIOR

Black molded hood deflector
Black platform running boards
Center high-mounted stop lamp (CHMSL) ⁵
Chrome grille ⁵ (Fleet only)
Exterior backup alarm ⁷
Front splash guards (F-350)
Front wheel-well liners
Halogen fog lamps ⁵
LED sideview mirror spotlights ⁵
LED warning strobes ⁷
Non-configurable daytime running lamps (replaces standard configurable daytime running lamps; Fleet only)
Rear View Camera and prep kit (includes pre-installed body and frame wiring, loose camera with mounting bracket, and 14' jumper wire)
Remote Start System ⁵
Transfer case skid plate (4x4)

PACKAGES

Power Equipment Group: accessory delay for power features; trailer tow mirrors with 2-way fold, power/heated glass, heated manual spotter mirrors, and integrated clearance lamps and turn signal indicators; perimeter alarm; Advanced Security Pack with inclination/intrusion sensors; power locks; power windows; MyKey®; and Remote Keyless Entry System with 2 integrated keyhead transmitter remotes

Trailer Tow Package:⁵ aftermarket trailer brake wiring kit (trailer brake controller not included)

XL Decor Group (Fleet only): bright center cap on wheels (SRW only), and chrome bumper

- SiriusXM® with 6-month All Access trial subscription¹
- SYNC® 3 with 8" LCD capacitive touchscreen in center stack, 911 Assist,® AppLink,® Apple CarPlay® compatibility, Android Auto™ compatibility, and 2 smart-charging USB ports

SAFETY & SECURITY

- Advanced Security Pack with inclination/intrusion sensors
- MyKey® technology to help encourage responsible driving
- SecuriLock® Passive Anti-Theft System

AVAILABLE FEATURES AND PACKAGES:

MECHANICAL

- 750-CCA, 78-amp-hr dual batteries (gas engines)
- Aft-of-axle frame extension² (F-450/F-550 Regular Cab 145" and 169" wheelbases)
- Engine block heater
- Engine idle shutdown (5-, 10-, 15- or 20-minute)
- Fuel tank – 26.5-gallon mid-ship² (replaces standard tank)
- Fuel tanks – Dual diesel with 40-gallon aft-of-axle and 26.5-gallon mid-ship (DRW diesel engine)
- Individual Tire Pressure Monitoring System delete (F-350 SRW; Fleet only)
- Jack (2-ton mechanical for SRW; 4-ton hydraulic for F-350 DRW; 6-ton hydraulic for F-450/F-550)
- Operator-commanded exhaust filter regeneration with active regeneration inhibit (diesel engine)
- Power takeoff (PTO) provision with live-drive mobile and stationary modes² (gas engines; PTO port located on driver's side; max. torque output of 250 lb.-ft. in stationary mode)

- Programmable Upfitter Interface Module
- Spare wheel, tire and jack (excludes carrier)

- Speed limitation (65-mph or 75-mph governed top speed; Fleet only)
- Tires – LT245/75Rx17E BSW all-season² (F-350 SRW)
- Tires – LT245/75Rx17E BSW all-terrain² (F-350)
- Tires – LT245/75Rx17E OWL all-terrain (F-350 DRW)
- Tires – LT265/70Rx17E OWL all-terrain² (F-350 SRW)
- Tires – LT275/70Rx18E BSW all-terrain (F-350 SRW 4x4)
- Tires – LT275/70Rx18E OWL all-terrain (F-350 SRW 4x4)
- Tires – 225/70Rx19.5G BSW traction (F-450/F-550; includes 2 all-position tires on front and 4 traction tires on rear)
- Tires – 225/70Rx19.5G BSW max. traction (F-450/F-550 4x4; includes 2 traction tires on front and 4 traction tires on rear)

FORD CO-PILOT360™ TECHNOLOGY

- Audible Lane Departure Warning²
- Pre-Collision Assist with Automatic Emergency Braking, Forward Collision Warning, and Auto High-Beam Headlamps²
- Voice-Activated Touchscreen Navigation System with HD Radio™ Technology, and integrated SiriusXM Traffic and Travel Link® with 5-year subscription¹

SEATING

- Front bucket seats and flow-through center console with lockable storage and 2 rear-facing powerpoints (SuperCab/Crew Cab)
- Heated driver seat² (SuperCab/Crew Cab)

INTERIOR

- Flooring – Black vinyl/carpet delete
- Flooring – Floor liners (SuperCab/Crew Cab)
- Power-adjustable pedals (Fleet only)
- Power-sliding rear window with defroster (SuperCab/Crew Cab)
- Rapid-heat supplemental cab heater (diesel engine)
- Rear-window defroster
- Vehicle Safe².³

EXTERIOR

- Black molded hood deflector
- Black platform running boards
- Center high-mounted stop lamp (CHMSL)²
- Exterior backup alarm³
- Front splash guards (F-350)
- Front wheel-well liners
- Halogen fog lamps
- LED sideview mirror spotlights²
- LED warning strobes³
- Non-configurable daytime running lamps (replaces standard configurable daytime running lamps; Fleet only)
- PowerScope® power-telescoping/-folding trailer tow mirrors with power/heated glass, heated manual spotter mirrors, integrated clearance lamps and turn signal indicators, high-intensity LED security approach lamps and LED sideview mirror spotlights
- Rear View Camera and prep kit (includes pre-installed body and frame wiring, loose camera with mounting bracket, and 14' jumper wire)
- Remote Start System
- Transfer case skid plate (4x4)
- Windshield wiper de-icer²

CAPABILITY PACKAGES

6.2L CNG/PROPANE GASEOUS ENGINE PREP PACKAGE (F-350; late availability): hardened engine intake valves and valve seats, and bi-fuel manifold
Available on ALL TRIMS

7.3L CNG/PROPANE GASEOUS ENGINE PREP PACKAGE (F-450/F-550): hardened engine intake valves and valve seats
Available on XL, XLT

16,000-LB. GVWR PACKAGE (F-450)
Available on ALL TRIMS

AMBULANCE PREP PACKAGE¹ (Fleet only): 397-amp alternator, 7,000-lb. max. front springs/GAWR rating for configuration selected, operator-commanded exhaust filter regeneration (diesel engine), and wide-track axle (F-350 DRW)
Available on XL, XLT

AMBULANCE PREP PACKAGE WITH EPA SPECIAL EMISSIONS¹ (Fleet only; requires diesel engine): 397-amp alternator, 7,000-lb. max. front springs/GAWR rating for configuration selected, operator-commanded exhaust filter regeneration, wide-track axle (F-350 DRW), and federal emissions
Available on XL, XLT

EXTRA-HEAVY-DUTY FRONT-END SUSPENSION PACKAGE¹ (F-450/F-550): upgraded front axle and 7,500-lb. front springs/GAWR rating
Available on ALL TRIMS

EXTRA-HEAVY-SERVICE FRONT SUSPENSION PACKAGE:¹ front springs upgrade⁷ (unless maximum springs have been computer-selected as included equipment)
Available on ALL TRIMS

FIRE/RESCUE PREP PACKAGE WITH EPA SPECIAL EMISSIONS¹ (Fleet only; requires diesel engine): 397-amp alternator, 7,000-lb. max. front springs/GAWR rating for configuration selected, operator-commanded exhaust filter regeneration, and federal emissions
Available on XL, XLT

HEAVY-SERVICE FRONT SUSPENSION PACKAGE:¹ front springs upgrade⁷ (unless maximum springs have been computer-selected as included equipment)
Available on ALL TRIMS

HIGH-CAPACITY TRAILER TOW PACKAGE¹ (F-450/F-550 diesel engine): trailer brake wiring kit, upgraded rear axle, and GCWR of 35,000 lbs. on F-450 and 40,000 lbs. on F-550
Available on ALL TRIMS

LOW DEFLECTION PACKAGE:¹ (F-450/F-550): 2" spacer blocks (recommended for rear-biased loading)
Available on ALL TRIMS

PAYLOAD DOWNGRADE PACKAGE:¹ 9,800-lb. GVWR and 26.5-gallon mid-ship fuel tank on F-350 SRW with 17" wheels; 10,000-lb. GVWR and 26.5-gallon mid-ship fuel tank on F-350 SRW with 18" wheels; 15,000-lb. GVWR on F-450; and 17,500-lb. GVWR on F-550
Available on ALL TRIMS

PAYLOAD PLUS UPGRADE PACKAGE¹ (F-550 with 4.88 rear axle): upgraded frame, upgraded rear axle, low-deflection/high-capacity rear springs, 14,706-lb. max. rear GAWR, and 19,500-lb. GVWR
Available on ALL TRIMS

PAYLOAD UPGRADE PACKAGE¹ (F-550 60" CA 7.3L gas engine): upgraded frame, upgraded rear axle, and 19,000-lb. GVWR
Available on XL, XLT

SNOW PLOW PREP PACKAGE:¹ computer-selected front springs for snow plow application⁷
Available on ALL TRIMS

WRECKER PACKAGE¹ (F-450 Regular Cab 60" CA): 7,000-lb. max. front springs, 19,500-lb. max. rear springs, 2" rear spacer blocks (4x2)
Available on XL, XLT

¹Restrictions may apply. See your dealer for details. ²Ford Licensed Accessory. ³Inner rear wheels are steel. ⁴Additional charge. ⁵Metallc. ⁶Not available with Medium Light Camel Leather.

⁷See dealer for springs/Front GAWR of specific vehicle configurations.

New Vehicle Limited Warranty. We want your Ford F-Series Super Duty® Chassis Cab ownership experience to be the best it can be. Under this warranty, your new vehicle comes with 3-year/36,000-mile bumper-to-bumper coverage, 5-year/60,000-mile Powertrain Warranty coverage, 5-year/60,000-mile safety restraint coverage, 5-year/unlimited-mile corrosion perforation (aluminum panels do not require perforation) coverage, and 5-year/100,000-mile diesel engine coverage (when applicable) – all with no deductible. Please ask your Ford Dealer for a copy of this limited warranty.

Roadside Assistance. Covers your vehicle for 5 years or 60,000 miles, so you have the security of knowing that help may be only a phone call away should you run out of fuel, lock yourself out of the vehicle or need a winch back to a paved road, a battery jump start or towing. Your Ford Dealer can provide complete details on all of these advantages.

Ford Commercial Vehicle Center. Each of the over 650 dealerships in our Commercial Vehicle Center (CVC) network is committed to providing quality commercial-oriented products and service, as well as special financing and billing arrangements, to businesses that rely on Ford products. As a CVC customer, your business vehicles receive priority service at your CVC dealership to help get your vehicle back on the road quickly.

Financial Services. Our commercial purchase plans and lines of credit offer attractive rates, negotiable terms and business-friendly options. If you prefer to lease, our CommercialLeaseSM programs offer a wide variety of package options to meet your needs. For additional information, please visit our website at fordcredit.com/comlend.

Ford Credit. Get the ride you want. Whether you plan to lease or buy, Ford Credit has the option that's right for you. Ask your Ford Dealer for details or visit us online at ford.com/finance.

Ford Protect™ Extended Service Plans. Whether you purchase or lease your Ford vehicle, insist on genuine Ford Protect extended service plans. Ford Protect has a variety of plans to give you peace-of-mind protection whether you want vehicle component or maintenance coverage. Plus, they are fully backed by Ford and honored at all Ford dealerships in the U.S., Canada and Mexico. When you visit your dealer, insist on genuine Ford Protect extended service plans.

COMMERCIAL VEHICLES

There's a standard of excellence at your local Ford Commercial Vehicle Center dealer, where our certified experts are focused on offering an exceptional sales, service and finance experience. After helping you spec your Chassis Cab, our knowledgeable staff will help ensure it's built to your requirements. We can also recommend finance solutions and help maximize your "up-time" after the sale with prompt, specialized service. You'll find extended hours and service discounts at our Service and Parts Department, along with a Parts Advantage program that helps us keep the fastest-moving fleet parts in your area in stock. Learn more at www.fordcommercialvehiclecenter.com.

YOUR BUSINESS, YOUR EDGE.

Get help optimizing your fleet with available Ford Telematics™ fleet management software from Ford. How does it work? Your vehicles produce informative data from each journey. This data, driven through Ford Telematics, helps you monitor those vehicles to understand where they go, how they're used and how they're running. These actionable insights can give you more time to focus on the rest of your business. You can also use available Ford Data Services™ to access Ford generated vehicle data with other fleet systems or telematics service providers. We'll help you get the data you need the way you prefer. Learn more at www.commercialsolutions.ford.com.

From day one, we had the future in mind. And for over 116 years,
we've focused on improving your freedom of movement,
by making it possible for hardworking, everyday people to own
a vehicle. One that's well built. That you're proud to drive.
Born in Detroit, made in America¹ and famous worldwide:
We are the Ford Motor Company.

Your mobility is at the center of everything we do.
And we're excited to be designing and building smart vehicles
that work for you. It's why we put our family name on every one.
From our founding members, to our Ford family of employees
around the globe, we work with pride. We build with care.
For you – and your family. By everyone in ours.

¹Made in the USA with domestic and foreign parts.
